

Ordering large numbers

Write these numbers in orders

72,463	8,730,241	261	5,247	643,292
9,641,471	260,453	59,372	657,473	4,290
327,914	3,647,212	47,900	3,825	416
593,103	761	374,239	91,761	1,425

Place the candidates in order.

1st

2nd

3rd

4th

5th

If children are weak on place value, help them identify the significant digits when sorting a group of numbers. Take care when the same digits are used but with different place values.
